**STATUS INQUIRY**

Sir:

Please provide the undersigned with a statement of the status of the above-identified patent application and the approximate date an Action can be expected. This application is a divisional application of USSN 10/054,708 and was filed on October 10, 2003. A Notice to Correct Application Papers was received and a Response to that Notice was filed on February 4, 2004 submitting formal drawings. No further communication has been received and the PAIR system does not indicate that an Examiner has been assigned to this divisional. Therefore, a status report is requested.

Respectfully submitted,

Michael E. Whitham  
Reg. No. 32,635
